Assessment & Selection Process

Process starts after pre-screening of the application & documentation verification

Stage 1: Assessment Centre

You will be invited to our assessment centre where you will be required to do the IndiGo ADAPT online psychometric and aptitude test. Candidates will be assessed on the behavioral and cognitive proficiencies required for an airline pilot.

The assessment day will cover 8 individual tests included in the IndiGo Assessment Suite.

- English
- Maths Progressive
- Physics Progressive
- Control & Co-ordination
- Future Aptitude Selection Tool (FAST)
- Cognitive Reasoning
- ADAPT Personality Questionnaire
- Flight Test

On successful completion of Stage 1 you will be invited by IndiGo for Group Task Assessment and Personal Interview.

Stage 2: Group Task Assessment and Personal Interview Orientation conducted by Marigold Aviation.

Stage 3: Group Task Assessment conducted by the IndiGo panelist. You will be assessed on your communication, team coordination, multi-tasking and reasoning skills.

Stage 4: Personal Interview conducted by IndiGo.

This is the final stage of the selections where you could demonstrate your passion, determination and knowledge for the job.

Upon meeting the required benchmarks of the Group Assessment & Personal Interview you will be invited to sign a Letter of Intent with IndiGo and complete the required HR formalities. Marigold will then commence the signing of the training contract and onboarding process.
